

Twin Lakes Golf Course Ltd.

November 15, 2011

Greetings Twin Lakes Golfer,

We are sending this membership renewal via email as Twin Lakes is doing its part in trying to eliminate paper waste wherever possible. If you know of someone who does not have email, would you kindly have them contact the office?

Twin Lakes is saying goodbye to some familiar faces. Twin Lakes would like to thank Paul DeVries for all his hard work and dedication over the last 3 years. Twin Lakes wishes him much success in all his future endeavors. "All the Best" as you continue on your path in the Golf Industry.

Thank you to Larry Syskakis for the wonderful food he has provided over the last 7 years. Larry is retiring from the restaurant business and we wish him the best.

We are looking to fill these three positions, as well a couple of Marshal/Starter positions for the 2012 season.

We will be continuing our efforts to improve the condition of the golf course, its playability and the appearance for both members and guests to enjoy in the coming year.

Please note the following for the 2012 membership renewal.

- Players Card
- The tentative opening day will be May 1st. The golf course will open earlier if the weather and course conditions permit. Closing day will be October 31st based on weather conditions.
